WLJ Chapter Reaches Out at Spring Events

Linda Lake and Pam Muick staffed the WLJ Chapter exhibit table located in the barn at the Rush Ranch Open House on April 22 in Suisun City.

You may have seen Willis Linn Jepson (WLJ) Chapter volunteers promoting the chapter at several community events this spring. We were invited to the Genentech Eco Fair in Vacaville, the Rush Ranch Open House in Suisun City, the Earth Daze Festival in Vallejo and the first annual Butterfly Festival on Mare Island.

Volunteers staffed our exhibit table where we offered information on membership, our activities and volunteer opportunities, and in some cases plants for sale. The gratitude of the Board of Directors goes out to our volunteers, our visitors and the organizers who sponsored these events. See photos from these events below.
Pam Muick and Steven Goetz at the exhibit table at the Genentech Eco Fair in Vacaville on April 9th.

WLJ Chapter Volunteer, Lesley Squires, helps a customer choose a plant from our exhibit table at the Vallejo Earth Daze event on April 27th.
